Dept. Opposes Introduction of Chester White Hogs

Further active steps have been taken during the past week by the Department of Agriculture to check the activities of salaried persons representing the Central United States Swine Company who have been taking orders for Chester White Sows and litters in various sections of the Province.

Officials of the Department have been busy in a number of districts advising farmers to have nothing to do with the contract offered them by these salaried men. The proposition which at first might appear attractive, proves on investigation to be very unsound from the standpoint of the farmer, and information regarding the Department's action that farmers in a number of sections of the United States suffered heavy losses by becoming involved in similar schemes. The Backler Association has emphasized the warning being issued by the Department by advising local bank managers throughout the Province of the unsoundness of this scheme.

Alberta Beavers Shipped To Scotland

A party of beavers from Alberta have been donated by the Dominion Government to the Edinburgh Zoological Gardens. The beavers were captured and conditioned in Jasper National Park, transported to Montreal, and shipped on the ss. Carmichael for Scotland on May 18.

A carload of Machinery has just arrived from the factory, containing the following—

HORSE and TRACTOR PLOWS, with special short turn bottoms, for gumbo or other soil, that is hard to scour.

DISC HARROWS, from 7 feet wide to 21 feet wide blades, with steel frames and special heat treated blades.

ROD WEEDERS, of very sturdy construction, and equipped for horse or tractor use.

LEVER SPRING-TOOTH HARROWS, that are so necessary for cultivating summerfall, when the land is too wet for a heavier implement.

Piano Recital

The United Church was well filled on Thursday evening, June 14th, when under the auspices of the Ladies' Aid Society, the pupils of Mrs. A. S. Newcombe were heard in a piano recital.

The class, as a whole showed splendid progress, and every pupil did credit to their teacher, Mrs. Gallagher, who has a very pretty and natural talent, and is well versed in the "Sunshine of Your Smile," with "The Tumble-down Shack" for an encore; and Mrs. A. S. Newcombe, who was in splendid voice, gave "The Old Road," with "Anchored" for her second number. Several other pupils added to the well planned program, the concluding number being a duet by Miss Evelyn Bigelow and Mrs. Newcombe, after which Mrs. Newcombe was presented with a beautiful shawl of American Beauty Rose from the ladies.

Those taking part were—Master Billy Sprague, George Carter, the Misses Laura McGee, Jean McGee, Evelyn Harrison, Betty Stewart, Freda Brunner, Betty Burke, Beth Hanson, Edna Bryan, Margie Gault, Gladys Mason, Margaret Bigelow, Jean Carter and Evelyn Bigelow; and Mrs. Gallagher and Mrs. Wilson.

The Navy League of Canada (Alberta Division)

Mr. Fred Cooke, organizing secretary of the Navy League, who has been in Delia taking up subscriptions to the Star Magazine, and donations for the Navy League, wishes to thank the citizens, as they have subscribed about \$20.00 to the Alberta Division.

The Navy League of Canada assists the widows and orphans of our men of the merchant marine, as they do not receive Government assistance. The Navy League supports Sailors' Homes and Institutions, and all other large Canadian ports from coast to coast, and looks after the welfare of our seamen when ashore. The Navy League also trains boys and young men, and makes better Canadian citizens of them.

The Alberta Division is required to raise \$5,000.00 as the quota to the \$250,000.00 budget, as authorized by the Dominion Council of the Navy League of Canada, and hopes to raise this amount as quickly as possible, with the cordial assistance of our people throughout the Province of Alberta. Canada's National Magazine of Yachting and Shipping is fast becoming one of our leading Canadian magazines, and it ought to be in every home and institution.

The Sailor Magazine is published monthly at \$2.00 per year. Regular membership, including the magazine and also a Navy League life, is \$5.00.

Subscription to Canada's National Magazine of Yachting and Shipping, and renewals as well as donations for the Navy League, can be sent to Mr. H. E. Irwin, his secretary, or Rev. Fred Cooke, organizing secretary, 817 First St. East, Calgary, Alta.

HAND HILLS ECHOES

Mr. E. L. Venn, was a Haines visitor last week.

We are sure to report that little Agnes Niemi is a patient at the Craigville Hospital under Dr. Crawford's care.

Jack Bell is sporting a new Ford car.

The storm last Thursday night was bad one, and some of the farmers, who were in town, did not get home until the next day.

George Smith, of the Rainbow district, was away to receive a banknote from the bank.

Another Hand Hill bachelor is stepping into double-barrelled love, namely—Tom Clark, and we hope Mr. Clark will have a long and happy married life.

Banna Presbytrial

A very important one was held in Wm. & Minnie's Hall was commemorated in The Delia United Church on June 17th 1928, when the first meeting of the Banna Presbytrial was held with Mrs. E. M. Bigelow, Delia, president, presiding; Mrs. D. T. Crawford, Craigville, secretary; and Mrs. D. D. Litch, Drumheller, 1st. vice-president assisting.

The morning session was taken up with Devotional exercises led by Mrs. Litch, reading of minutes and treasurer's report, and registration of delegates and visitors, of whom there were five delegates, and thirty visitors present.

Unfortunately, owing to the heavy rain the roads were bad, and only these auxiliaries were represented and many members were unable to attend.

At 12:30 a.m. all adjourned to church, and when attended by the Delia W.M.S. is a very auspicious banquet.

The afternoon session opened by Devotional exercises, led by members of Craigville W.M.S., followed by greetings from Banna Presbytrial by the Rev. J. G. Gerson, Delia, and report of nominating committee.

Mrs. E. M. Bigelow, Delia, gave a splendid presidential address on the W.M.S. motto, "The World for Christ," after which Mrs. A. S. Newcombe read "How Lovely are the Drawings" very beautifully.

One of the outstanding features of the afternoon was the "Round Table Conference" led by Mrs. Litch, Drumheller, in which a great number of questions were asked and answered to the general edification of all present.

The Junior Sister Band of thirteen members rendered a very pleasing song. Several hymns were sung, offerings rendered, and reports from Central Registration, Nominating committee received after which the electing of officers and installation prayer and closing exercises took place, when all were served after noon tea by Delia W.M.S.

Health Service of the Canadian Medical Association

SCARLET FEVER ANTITOXIN During the past few years there was discovered a scarlet fever antitoxin which gives the most satisfactory results in the treatment of scarlet fever as have been secured in the treatment of diphtheria with diphtheria antitoxin.

Scarlet fever is caused by a certain kind of disease germ which gives off a poison or toxin. It is this toxin which, in some cases, kills, and which in all cases does more or less damage to the various organs of the body.

The scarlet fever antitoxin counteracts the toxin. Given early in sufficient quantity it not only cures but prevents the damage which may be serious.

There is no responsibility for the care of children should appreciate that the life of the child, when attacked by sickness, may depend upon prompt treatment. Certainly, in two doses, scarlet fever and diphtheria, every hour's delay endangers the life of the child.

In Canada there were 393 deaths from scarlet fever during 1926. This loss of human life is, of course, preventable. In addition, there is a much larger number of children, some of whom are more or less permanently damaged.

Scarlet fever antitoxin, like diphtheria antitoxin, should be made freely and readily available throughout Canada for the saving and comforting of human life.

Questions concerning Health, addressed to the Canadian Medical Association, 184 College Street, Toronto, will be answered by letter. Questions on telegrams and treatment will not be answered.

Craigville News

There has been an excellent supply of moisture, of the soil soaking kind, in the last week or two. The land is in ideal condition for breaking and plowing, and the crop is coming along well.

The Departmental Examination started at the school yesterday, and ordinary school-room work to the upper grades is over for another year, so the exams will extend until the end of the term. We trust the pupils will attain the full measure of success which they deserve for the year's work.

Mrs. A. W. White has been ill. High School teacher, Mr. W. J. Richards, and is in Calgary now taking further electrical treatment for her throat.

The streets in town have been put in a very nice condition, and while the moisture of the past few days has been fully appreciated, it has also been a source of trouble to the dirt on the streets in first-class condition. Of course we cannot expect to have a crop without some rain.

The local Free Masons Local annual church service had to be postponed last Sunday owing to the state of the roads.

Mr. and Mrs. E. H. Frank and family went to Calgary last week when they intend to reside in the northwest.

Rev. J. Weinberger has been placed in charge of the Gospel Mission in this district, and has taken up residence here in A. G. Moodie's home on 1st Avenue.

Enoch C. Menden has been loaned The McKee's Silver Bells on Baller Ave., and is carrying the business on.

The School Girls' Basketball team had a walk from the Hanna girls on Wednesday, and a close game ended in a win for the Hanna girls, by a margin of two goals. The local team consisted of the junior girls, while the opposition was composed of senior girls. The boys' basketball team of the two schools commenced their game, but the interference from the 3rd lineups, with the score 8-7 in favor of Hanna. On Friday evening both the boys and girls went to Delia and played their game. The Craigville girls won by a score of 10 to 8, and the boys had the large end of a 12-10 score.

Cutworm Damaging Sugar Beet Crop

Reports from some sections in the West of the province indicate that the red-legged cutworm has made its appearance in a number of fields and is causing considerable losses. This species of cutworm is well controlled by the use of poisoned bait and all best growers are urged to examine their fields for signs of the pest. The formula for the bait is as follows:

- Bran.....100 pounds
- Pink Gripe.....2 to 4 ounce
- or White Arsenic.....1 ounce
- Chop Molasses.....1 gallon
- Water.....7 gallons

The bait should be mixed to a consistency which will allow it to be scattered easily, and should be broadcasted as thinly as possible in areas where the presence of the pest is suspected. The bait should be scattered about midday as the cutworms come from the ground and feed at night.

New Locomotives For Northern Lines

Four new locomotives, the purchase of which was authorized by the Board of Directors, have been received from the Government-owned lines at Kingston. These have now been placed in regular freight service on the Government-owned lines in the northern part of the province.
